PROFESSIONAL SUMMARY

Software Developer with hands-on experience building responsive and user-focused web applications using modern JavaScript frameworks. Skilled in developing scalable frontend architectures and familiar with backend development using Node.js, Express, and MongoDB. Adept at problem-solving, version control, and collaborating within development environments. Passionate about building efficient digital solutions and continuously expanding full-stack development capabilities.

TECHNICAL SKILLS

- **Languages & Frameworks:** HTML, CSS, JavaScript, TypeScript, React
 - **Backend Technologies:** Node.js, Express.js, MongoDB
 - **Tools & Platforms:** Git, GitHub, VS Code, Postman
 - **Other Skills:** Debugging, Problem Solving, Teamwork, Communication
-

PROJECTS

Web Application UI Development (Real-World Replications)

- Developed responsive and high-fidelity web interfaces inspired by platforms such as PiggyVest, Meta, and Moove.
- Implemented component-based architecture using React and TypeScript.
- Ensured cross-device compatibility and optimized UI performance.
- Applied modern styling techniques using Tailwind CSS.

GitHub Projects:

- github.com/shukrohwillalwayscode/react-piggy
 - github.com/shukrohwillalwayscode/Meta-project.git
 - github.com/shukrohwillalwayscode/moove.git
-

Backend Development Practice

- Built and tested RESTful API structures using Node.js and Express.
 - Worked with MongoDB for basic data storage and retrieval operations.
 - Tested API endpoints using Postman during development.
 - Gained foundational understanding of server-side logic and database integration.
-

WORK EXPERIENCE

Software Developer Trainee

SAIL Innovation Lab | 2025

- Developed responsive web applications using React, TypeScript, and Tailwind CSS.
 - Applied Git and GitHub for version control and collaboration.
 - Practiced integrating frontend interfaces with backend concepts.
 - Strengthened debugging and problem-solving skills in real-world scenarios.
-

Teaching Instructor (NYSC)

GCC Girls' Academy, Borno State | Nov 2023 – Oct 2024

- Managed and evaluated academic progress of over 140 students.
 - Developed structured lesson plans and performance assessments.
 - Strengthened communication, organization, and leadership skills.
-

HR Intern

Blue Timothy Osadebe, Nigeria | Sep 2022 – Dec 2022

- Improved scheduling efficiency by automating tasks using digital tools.
 - Coordinated and managed over 30 appointments with accuracy.
 - Maintained confidentiality of sensitive organizational data.
-

EDUCATION

Bachelor of Education (B.Ed.), Primary Education Studies
University of Ilorin | 2023

TRAINING & CERTIFICATIONS

- Software Development Program – SAIL Innovation Lab (2025)
 - Directly Observed Polio Vaccination (DOPV) Monitor – World Health Organization (2024)
 - Virtual Assistant Program – ALX Africa (2022)
 - Soft Skills Training – Jobberman (2021)
-
